

## 24" Heavy Duty Magnetic Sweep

Save time cleaning up metallic debris on a jobsite with the Empire® Level 24-Inch Heavy Duty Magnetic Sweep. This rolling tool collects waste while you push it. This improves worker comfort and reduces the risk of accidental injuries during cleanup by helping workers avoid bending over repeatedly. For durability, the Empire Level 24-inch heavy-duty magnetic sweep features a sturdy aluminum shell. For convenience and increased productivity on the jobsite, the tool collects up to 30 pounds of metallic debris at a time. Once you finish sweeping, quickly remove the debris using the release handle. Designed for use by multiple individuals and on various surfaces, both the handle length and the sweeping height are adjustable. To make storage easy, the handle of this Empire Level adjustable handle magnetic sweep is removable.

### INCLUDES:
