Description

SHOWA® Best® Glove proudly unveils the newest member of our AEGIS family of high performance hand protection. The Aegis HP54 is a 10 gauge seamless knit comprised of High Performance Poly Ethylene (HPPE), nylon, lycra with Zorb-IT® palm coating for oily grip.

Aegis HP54™ glove represents the ideal combination of comfort, cut resistance and durability. The fit and feel of this glove rival thinner lighter-weight products but the 10 gauge construction adds more cut protection and durability.
